The WACE– Not all students get a WACE

- The Western Australian Certificate of Education (WACE) is awarded to students who have successfully completed senior secondary schooling in WACE studies **and have met the WACE requirements.**
- The majority of students in Western Australia achieve the WACE.
- Study towards the WACE can be undertaken over a lifetime.

WACE Requirements

Students must:

- demonstrate the literacy and numeracy standards
- meet the requirements for breadth and depth of study
- complete one of three course combination options
 - complete at least four Year 12 ATAR courses OR
 - complete at least five Year 12 General courses and/or ATAR courses or equivalent OR
 - complete a Certificate II (or higher) VET qualification in combination with ATAR, General or Foundation courses
- meet the achievement standard.

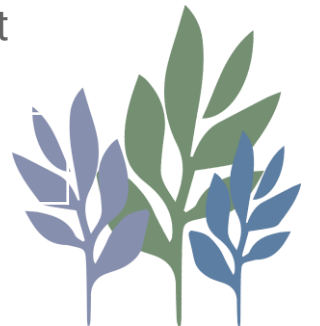

WACE Requirements - Demonstrate the literacy and numeracy standards

Students must demonstrate minimum standards of literacy and numeracy by either:

- demonstrating the standard (Level 3 of the [Australian Core Skills Framework](#)) through the Online Literacy and Numeracy Assessment (OLNA); or
** Students have two opportunities per year to achieve standard in OLNA.*
- pre-qualifying for a particular component by achieving a certain level in the Year 9 NAPLAN and being exempted from that component in the OLNA.
